ONGOING ACTIVITIES:

Frawley Family Amphitheater at Cravath Lakefront Park

One of the newest amenities in Whitewater is the amphitheater at Cravath Lakefront Park, 341 S Fremont Street. This upgraded facility allows for a wider variety of usages. Entertainers will appreciate the large permanent roof as well as the convenience of built-in electrical, sound, and lighting. Attendees will enjoy the view of Cravath Lake as they attend live performances. The Amphitheater, completed summer of 2020, is made possible through the generous sponsorship by the Frawley Family, Whitewater Rotary and the Whitewater Fourth of July Community. To find a complete listing of performances, visit www.wwparks.org

Ice Age Trail Lead Hikes

20 Years of Weekly Hikes: Whitewater is a proud Ice Age Trail community and has embraced the wonder of the trails for as long as the trails have gone through our area. Since 1993 a dedicated group of volunteers have taken care of the trails around Whitewater and worked to encourage area residents and visitors in outdoor recreation. 20 years ago, in 2002 a small group of these volunteers led by Russ Helwig, began a weekly hike program. Don't miss the chance to take part of these amazing hikes! To find the schedule, visit <https://www.iceagetrail.org>

HOW DO I KNOW IF I'M IN A CLASS

Anyone who provides an email address will receive an email receipt confirmation of all programs registered for.

SATISFACTION GUARANTEE

You are important to us! Our department is committed to providing high-quality programs and services. If you are not satisfied with a class or program, please contact us. We will arrange for a transfer, refund, or credit. Trips are excluded from this reimbursement policy.

CLASS CANCELLATIONS

The Parks and Recreation Department reserves the right to cancel a class and make schedule changes when enrollment does not reach the minimum number. Notification will be made as soon as possible.

CHARGES, FEES & REFUNDS

Fees are established with an attempt to standardize cost according to the number of sessions, facilities, equipment and supervision. Full refunds will be given when the Parks and Recreation Department cancels a class or makes a change in the class schedule.

LATE FEES!

Please read the deadline dates very carefully. A late fee will be enforced and assessed to each person and to each program when registering after the registration deadline date.

RECREATION SUNSHINE FUND

The Whitewater Parks and Recreation Department believes in providing services and programs to all who wish to participate, regardless of financial status. A fund has been created to assist those who wish to participate in our programs but do not have the financial ability to do so. Applicants must live within the Whitewater Unified School District boundaries and approved applicants will need to pay half of the program cost. To apply, please request a copy of the application from the Parks and Recreation Department. All requests are confidential. Applicants need to submit a request form for each request. Applications will not be accepted for program registrations that have previously been processed and the approval will be based on the availability of funds in the Recreation Sunshine Fund.

RECREATION INCLUSION

The City of Whitewater proudly complies with the Americans with Disabilities Act and will make reasonable modifications to support inclusive recreation participation. For answers to your questions about recreation inclusion, call Kevin Boehm at (262) 473-0122 or contact by email at kboehm@whitewater-wi.gov.

PARKS AND RECREATION

AFTER SCHOOL PROGRAM- SCHOOL YEAR PROGRAM

The Whitewater Parks & Recreation Department is excited to start the 2025-2026 school year offering an After School Program. The program runs from the first day of school in Fall until the last day of school in the Spring. The program will take place at Lincoln Elementary, Lakeview Elementary, and Washington Elementary. This program is for grades Afternoon Pre- K- 5th.

Q: Am I required to attend every day of the week?

A: No. You may sign up for any and as many days as you would like. You will receive a calendar every month that you can specifically mark the days you wish to attend.

Q: How many staff are at the Whitewater Parks & Recreation After School Program?

A: We follow State guidelines and have at least a 10:1 child to staff ratio. There will also be two staff members every day even if there are less than ten kids.

Q: Is this program State Licensed?

A: The After School Program follows all state guidelines but is exempt from mandatory licenses and does so as a courtesy to keeping the costs lower to participants.

Q: What are the hours of the program and can I pick my child up early?

A: The after school program will start at the conclusion of school at 3:00p.m. and conclude at 6:00p.m. You can pick up your child at any point of the program with one fee.

Q: Sounds great! Where do I sign up?

A: Visit www.wwparks.org and click on the After School Tab for lots of fun information. All registrations must take place through Rec Desk.

TAE KWON DO AND SELF-DEFENSE – YEAR ROUND PROGRAM

This is an introductory class for the art of Tae Kwon Do which loosely translates to the way of the foot and fist. In this course kids will learn all the basic punches, kicks, and blocks through a variety of fun drills and games. In addition to the physical conditioning, the kids will learn basic tenets of martial arts such as respect and discipline. Besides Tae Kwon Do, the students will have the chance to learn and practice self-defense techniques that can be applied in real life situations. All skill levels are welcome. So if you are looking for a fun way for your kids to be active, develop more self-confidence, and learn how to protect themselves, sign up for Tae Kwon Do. Geared for ages 6–12. www.wwparks.org

DANCE PROGRAM – WINTER & SPRING PROGRAM

Are you ready to Dance? Classes will be offered for those in the beginner stage all the way through Adult. A variety of dance classes will include Tap, Ballet, African, and Creative Movement. To register to and find descriptions, visit www.wwparks.org

PARKS AND RECREATION

SUMMER CAMP – SUMMER PROGRAM

Children are presented with fun indoor and outdoor activities, hands-on challenges that encourage creative problem solving, teamwork, and innovation. This camp will be held at the Whitewater High School during the time of Summer School

YOUTH OPEN GYM

Stop by the Whitewater Armory every Wednesday 6:15pm-8:00pm and join our open gym for a fun, active, and engaging experience! Open Gym facilitates a safe space for kids to enjoy free play and organize their own games. Free and open to the entire community! With fun games and a friendly atmosphere, it's the perfect way for your child to stay active and make new friends!

QUAD COUNTY YOUTH BASEBALL & SOFTBALL

Whitewater Parks and Recreation offers recreational youth baseball and softball through the Quad County League. This league is comprised of teams from surrounding communities. This program is offered at the 2nd, 3rd & 4th, 5th & 6th, and 7th & 8th grade level. All teams will be coached by volunteer coaches. Our programs cannot be successful without volunteers! There will be no teammate requests. Practices will be held before games start and during the season. Practices will depend on the field coach's availability. Games for baseball in the Quad County League are typically scheduled for Monday-Thursday depending on the grade. There is an end of the season league tournament. The tournament is typically held the third week of July. Each player will receive a game jersey. For anyone interested in coaching, there will be a mandatory coach's meeting on a date TBD prior to practices starting. www.parks.org

SOFTBALL

ADULT SOFTBALL

Summer Softball is right around the corner! Competition is offered in men's and coed slow pitch softball leagues. Play is offered to resident and non-resident players. All games will be played at Starin Park. We will look to start games the second week of May. Men's games will be played on Tuesday nights, and Co-ed will play on Monday evenings. Your team fee must be paid in full at the time of registration. Please review bat information available on the ASA website at www.softball.org. To register, please visit www.wwparks.org

START SMART SPORTS

The Start Smart sports program helps kids get ready to play sports and at the same time promotes quality time together for the parent/adult mentor and child. This program works to build confidence and self-esteem through progression, improvement and positive reinforcement. Parents will learn how to properly teach and support their child as they learn the sports listed below. Our instructors show the parents the proper techniques and teaching hints to be most successful for this age group. You will provide the individual attention and instruction your child needs to learn and have and have fun.

START SMART BASEBALL

The skills focused on include hitting, throwing, catching and running bases. The class meets on Field #4 at Starin Park. During inclement weather, classes will be held in the Downtown Armory Gym. If your player has a glove or foam bat, they are encouraged to bring it with them! For registration and dates, visit www.wwparks.org

TEE-BALL

This program will be available to kids 4 & 5 years old. There will be an emphasis placed on developing skills, and having fun! The first two weeks will consist of all players practicing on the same field, working on drills and rotating through stations. Players will be divided into teams and be assigned to a volunteer coach. Each player will receive a team jersey. Teams will meet every Tuesday and Thursday from 5:15-6:15 p.m. starting in June, at Starin Park. We are looking for local businesses to sponsor each team! The deadline to register is May 23, 2025. www.wwparks.org

SENIORS IN THE PARK

Seniors in the Park is a lively and dynamic program in Whitewater that seeks to promote and enhance a vital aging community. We serve as a hub and focal point for lifelong learning opportunities that enrich, engage and enhance quality of life. From programs and trips to fitness and movies, there is something offered for everyone! Activities take place at the Starin Park Community Building, 504 W Starin Rd, unless stated otherwise, and many are free of charge. Some events require preregistration, please call or email in advance.

Registration Kiosk

People can view activities and register for in-person and online classes, and make appointments at <https://schedulesplus.com/wwtr/kiosk/>. All virtual classes are under the Virtual Center button. In-person classes are under any of the other topic buttons. The key to logging in, is to use only numbers when asked for your phone number and birth date. If you are a new participant, it will let you add yourself prior to registering. You can access the zoom link for any virtual classes you registered for in the kiosk, also. For written instructions on how to use the kiosk and the OnDemand, email JJackson@whitewater-wi.gov.

On-Demand Presentations & Classes

In the Registration kiosk, you can access some free recordings of classes and talks. If you missed a presentation, and the speaker has allowed us to record it, it will be available.

Where Do I Find Information on Upcoming Activities and Classes?

Weekly Emails: We have a weekly email that goes out with all the upcoming classes that week and anything that may have missed the newsletter. To get on the email list please call 262-473-0535 or email JJackson@whitewater-wi.gov.

FACILITIES

WHAT IS THE ARBORETUM AT STARIN PARK?

Thirty-five acres. Nearly a thousand trees. Over sixty species (many identified with informative tags). Adult workshops, school field trips. Places for contemplation, relaxation, outdoor exercise, forest bathing (Shinrin-Yoku), phenology, reconnecting to nature. Special growing areas, including the savanna playground, the shelter circle, and the food forest (with more to come), along with an interpretive path and explanatory signage. That's The Arboretum At Starin Park (in a nutshell).

The Arboretum At Starin Park is, and will increasingly become, a beautiful, welcoming sanctuary for humans, native trees, shrubs, and perennials, and for wildlife. It will be a place where people of all ages can come to connect to nature, learn about the environment, and study and practice stewardship.

The Arboretum At Starin Park has been recognized by ArbNet as a Level 1 Arboretum, has been awarded a large grant from the Wisconsin Department of Natural Resources, and has received generous support from local businesses, foundations, and individuals.

Under the direction of the Parks and Recreation Department and the guidance of the Urban Forestry Commission, The Arboretum At Starin Park works to improve the tree canopy across the community as well as in the park. The annual tree sale, held in April around Arbor Day/Earth Day provides top quality, hard-to-find, native trees and shrubs at attractive prices.

To learn more, including info on workshops and the tree sale, visit ArbAtStarin.org.

WHITEWATER COMMON COUNCIL

The City of Whitewater operates under the City Manager form of government with a seven- member Common Council. The City Manager plans and directs the administration of the City to ensure that efficient municipal services are provided and are in line with Common Council objectives. Council Members are elected each April to serve two-year terms. There are five aldermanic district council positions and two councilmember-at large positions. Odd number district seats are up for election in odd years; seats for even-numbered districts are up for election in even-numbered years. One council member-at-large seat opens each calendar year. The Common Council meets on the first and third Tuesdays of each month at 6:30 p.m. in the Community Room of the Municipal Building located

at 312 W. Whitewater St., Whitewater, WI 53190 (meetings can be virtual, too). However, if there is an election scheduled on a council meeting Tuesday, the meeting is rescheduled for the Thursday following the regularly scheduled meeting.

To find your common council representative, visit our website www.whitewater-wi.gov/308/Common-Council

For Voting Wards & Aldermanic Districts, view the map at www.whitewater-wi.gov/residents/maps.

ECONOMIC DEVELOPMENT

The City of Whitewater is committed to a robust Economic Development Program that benefits the entire City of Whitewater, its residents and businesses.

Economic Development Team

The City funds a full time Economic Development Director who also serves as the Executive Director of the Community Development Authority (CDA). The Director leads a team of City staff and business development consultants to stimulate investment and coordinate the policies of the CDA.

Programs & Incentives

The City of Whitewater promotes investment in the community and offers several loan and grant programs, as well as Tax Incremental Financing (TIF) opportunities aimed at stimulating development and job growth.

Shovel Ready Sites

The Whitewater Business & Technology Park offers development sites ranging from 1 acre to 21+ acres, with infrastructure in place at the curb. Incentives are available depending on the project.

Whitewater University Innovation Center

Created through a partnership between the City and UW-Whitewater, the Innovation Center located at 1221 Innovation Drive is the cornerstone of the Technology Park and serves as a business incubator for entrepreneurs.

Community Development Authority (CDA)

The CDA administers loan and grant programs and makes recommendations to the Common Council on city land sales, real estate purchases or remediations, and tax increment financing. The public is welcome to attend the monthly CDA meetings in the Community Room of the Municipal Building (virtual option available). Refer to website for additional meeting information.

FINANCE DEPARTMENT

The Finance Department Manages the City's day-to-day finances. Budgeting, investments, payroll, accounts payable and accounts receivable. Issues, accepts, and processes Water/Sewer utility payments. Issues, accepts tax payments and processes property and personal property taxes December – January 31st. (After January 31st payments must go to the appropriate county office.) Issues, accepts and processes miscellaneous invoice payments. Issues dog licenses and accepts court payments when the Clerk of Court is not available.

Utility Billing: For questions regarding your bill, property ownership/address changes, or a final meter reading, contact the Utility Billing Technician at 262-473-1383.

Utility Bill Pay: Utility payments can be made online or over the phone at no charge through our third-party processor PSN–Payment Service-Network. Stay in the loop with the latest opportunities as the City unveils job openings through our digital gateway at www.governmentjobs.com/careers/whitewaterwi. Experience the seamless convenience of applying ONLINE, making your journey to a fulfilling career a breeze. For your convenience, the Irvin L. Young Memorial Library offers free computer access.

WHITEWATER FIRE & EMS

Whitewater Fire & EMS is a combination department consisting of 15 full-time and 15 paid on call employees. 12 of the 15 full-time employees work a rotational 24-hour shift, with 4 per shift. These firefighters handle the majority of EMS calls and fire alarm responses. Greater alarms, motor vehicle accidents, or incidents of greater magnitude require paid on call members who wear pagers to respond to the station to assist with mitigation of the incident. Three ambulances and 14 fire apparatus respond to over 1900 calls for service within the City of Whitewater and five surrounding townships, totaling 100 square miles.

In 2023, Whitewater Fire & EMS converted from a basic life support service to an advance life support service by providing Paramedic level pre-hospital care. This greatly increased the caliber of service the department provides to citizens and visitors of the greater Whitewater area.

Whitewater Fire and EMS also provides fire inspection/prevention services to the City of Whitewater and the contracted surrounding townships in accordance with State of Wisconsin Administrative Code.

Applications to become a firefighter and/or EMT can be found on the City of Whitewater website.

ANIMAL CONTROL

Animal owners must have their dogs and/or cats under voice command or on a leash. If your animal is at-large it will be impounded at Lakeland Animal Shelter. Dogs must be licensed through the City of Whitewater. Licenses may be purchased at the Finance Department. Animals which habitually bark or cry are prohibited. Citations can be issued for noncompliance of these ordinances.

LOST/FOUND PROPERTY

Individuals seeking lost/found property must come to the Whitewater Police Department Monday through Friday, 8:00 am to 4:30 pm, and be prepared to present either written documentation or give a verbal confirmation of ownership.

SELLING ALCOHOL

It is against the law to charge for alcoholic beverages at the door of a party, charge for alcoholic beverages in a package deal (such as providing beer with dinner, selling cups to fill with free beer or charge for a band or other entertainment and “give away” the alcohol, etc.) or to be frequenting a place of illegal activity such as a party where alcohol is being served illegally.

GUIDELINE FOR PARTIES & SPECIAL EVENTS

The following is a list of suggestions for all Whitewater residents regarding hosting parties:

- Visit surrounding neighbors, be friendly, and make sure they know a couple of days in advance that a party will occur.
- Ask guests to respect the neighbors. The host is responsible for the condition of the neighborhood after the party.
- Do not advertise alcohol-related parties to the general public.
- Monitor your party. Keep it under control and make sure that volume levels do not cause a disturbance.
- Do not sponsor large open parties which tend to get out of control.
- Do not allow underage drinking.
- Do not carry/ open containers of alcoholic beverages beyond your private property. This is illegal in Whitewater even if you are over 21years of age.
- Do not let anyone drive home under the influence of alcohol

HELPFUL TIPS FROM THE WHITewater POLICE

1. Do not drive without a valid driver's license. - Wisconsin State Statute 343.05
2. Vehicles need to be registered in the state in which they are stored, i.e., vehicles in Wisconsin need Wisconsin registration. - Wisconsin State Statute 341.04
3. Motor vehicle liability insurance is needed on every vehicle that is operated. - Wisconsin State Statute 344.62
4. Do not drive while under the influence of alcohol or other impairing drugs. - Wisconsin State Statute 346.63
5. School attendance is mandatory for those children under age of 18. – City of Whitewater Ordinance 7.61.010

PUBLIC WORKS

Following is a list of anticipated projects for 2025:

Vanderlip Pumping Station

This project started in 2024 and will be completed in 2025. The Vanderlip Pumping Station located west on the extension of Carriage Drive will be replaced. The project involves replacing forcemain and relaying sanitary sewer. Updates to the pedestrian curb ramps will be made to bring them into ADA compliance. The Fraternity Pumping Station at the corner of Fraternity Lane and Florence Street will be removed. Underground work still needs to occur on Fraternity Lane between Carriage Drive and Florence Street, and on Florence Street between Fraternity Lane and Fraternity Lane.

Walworth Avenue Repaving

Walworth Avenue from Janesville Street to the City limits west of Highway 12 will be repaved. The City is receiving approximately \$2,143,000 in Federal money toward the \$2,725,000 repaving project. Besides the new asphalt pavement, the project includes spot replacement of curb & gutter, and sidewalk. All pedestrian curb ramps will be upgraded to meet new ADA requirements. The portion of Walworth Avenue west of Highway 12 is anticipated to be completed during the month of May. The portion between Janesville Street and Highway 12 is tentatively scheduled to start in June after school is out for summer and be completed by the end of August. This schedule will be updated once a contractor is hired and submits their schedule.

Innovation Drive Repaving

Innovation Drive between Technology Drive and Howard Road will be repaved. The City is receiving approximately \$360,00 in Federal money toward the \$471,000 repaving project. The project also includes spot replacement of curb & gutter. The project should take approximately 20 days to complete and is tentatively scheduled for construction in the summer.

Lead Service Line Replacements

The City will undertake the replacement of lead service lines throughout the City. Residents with either the city portion or private portion of their water lateral consisting of lead or galvanized material have been notified. This project will replace approximately 160 private side laterals and approximately 170 public side laterals. Work on this project will be ongoing throughout the 2025 construction season.

Looking ahead to 2026

Projects being look at for 2026 include Jefferson Street between E. Main Street to north of Starin Road and Putnam Street between Walworth Avenue and Janesville Street. Both projects will include upgrades to sanitary sewer, water, storm sewer, curb & gutter, sidewalk and asphalt pavement. The DOT is scheduled to repave STH 59 from Highway 12 to the Rock/Walworth County line.

PUBLIC WORKS

262-473-0560

www.whitewater-wi.gov/222/Public-Works

The Public Works Department is responsible for the operation and maintenance of water and sewer service, water quality, maintenance of vehicles, streets, facilities, parks, and many public projects.

Garbage and Recycling Pickup

John's Disposal is contracted by the City to supply trash, recycling and bulk pickup (old couches, dressers, beds, etc.). Trash pickup is on Thursdays, while recycling days are every other Thursday. Bulk pickup is the second Thursday of the month. Toters may not be set out earlier than 4 p.m. on Wednesdays and must be removed before 9 a.m. on Friday. If containers are left out there will be a \$25 fee charged. For more information, or to arrange special trash pickup, call John's Disposal at 262-473-4700 or the Public Works Department at 262-473-0560.

Month of May Bulk Pickup

For the month of May, John's Disposal will perform bulk pickup on every Thurs. throughout the City. As with other bulk pickup days, please do not put items out for collection earlier than 4 p.m. on the Wed. prior.

Bulk Trash Pickup - Code Enforcement

Bulk pickup is scheduled on the second Thursday of the month. This service is provided to dispose of old couches, beds, dressers, etc. There is no charge, just leave the items at the curb for collection after 4:00 p.m. of the day before the collection day. The City will be enforcing these guidelines and NO warnings will be given. 8.28.090 - Penalty for Violations.

- (a) Any person who violates any provisions of this chapter shall be subject to a penalty of not less than \$10.00 and not more than \$250.00 for a first offense, and on second and subsequent offenses not less than \$50.00 nor more than \$250.00, together with the cost of prosecution.
- (b) If any such owner, occupant or person in charge refuses or fails to comply with the provisions of this chapter, the city manager or his/ her appointed designee, may remove such items and the cost thereof shall be charged at a rate of time and materials as established by the

department of public works, with a minimum charge of \$25.00, or contract with a private contractor to have the items removed. The cost of such removal shall be reported to the city finance department in writing with a description of the premises, and such charges if unpaid, shall become a lien on the property against which it is imposed. The delinquent charge shall be included in the current or next tax roll and settlement under Chapter 74. If you would like bulk items removed immediately, call John's Disposal at (262) 473-4700 to schedule an appointment. Remember to ask John's about the cost associated with a special pick up.

Electronic Recycling

The City has contracted with a private firm to supply Electronic Recycling for the City. The date will be Saturday May 18, 2024. The location will be in Lot B which is located south of Whitewater Street and east of Fremont Street (parking lot for the Cravath Lakefront). The majority of items are free to recycle; however, there will be a small charge for TVs, computer tube monitors, microwaves and exercise equipment. Scheduled times are from 9:00 am to 1:00 pm. Please watch the website for additional information.

Streets/Forestry

The Streets Department maintains the upkeep of all City owned streets, sidewalks, street lights, signal lights, street signage, City owned parks including all entities associated within all parks, all maintenance of City owned trees along with making sure our stormwater system is maintained and is in operation that meets or exceeds state and federal regulations.

Brush Collection

The City collects brush every Tuesday. Residents are asked to call the Public Works Department at 473-0560 to make an appointment. Appointments must be made prior to the Tuesday a.m. collection so route scheduling can be completed.

COLLECTION FEES: Brush located at the curbside will be collected and chipped. The first 10 minutes of chipping will be free of charge if an appointment has been received. Any chipping after the first ten minutes will be charged to the property owner at a rate of \$30.00 per ten-minute increments.

COLLECTION PROCEDURE: Brush must be brought to the curbside and placed with the cut ends facing the street. Brush cannot be brought to the curbside before 4 p.m. on the Sunday prior to the scheduled Tuesday for collection. Brush must be at the curb by 6 a.m. on Tuesday.

PUBLIC WORKS

BRUSH TO BE ACCEPTED OR NOT ACCEPTED:

Brush must be a minimum of 3/4" and a maximum 6" in diameter. The brush must be a minimum of 3 feet in length. Vines, rakings, roots, and root balls will not be accepted. Property owners can dispose of vines, rakings, roots, and root balls at the compost site. The City reserves the right to not collect brush for just cause. You may also submit a Brush Collection request at <https://www.whitewater-wi.gov/RequestTracker.aspx>

Tree Trimming

If you have a tree that is hazardous, diseased or dead within the public road right-of-way, contact the Public Works Department at 262-473-0560. There is no charge for this service. You may also submit a tree-trimming request at <https://www.whitewater-wi.gov/RequestTracker.aspx>.

Are you unsure whether a tree on your property belongs to the City or you, the property owner?

City owned trees are located in the terrace, which is the area between your sidewalk and the curb. However, there are many areas in the City of Whitewater that do not have sidewalks. If you are in that situation, please call the Forestry Department at (262) 473-0560 and they will determine if the tree belongs to you, or the City. Per the City's Municipal Code, it is a violation for anyone, other than the City, to remove a City tree. Violators can be fined and charged replacement costs to have the tree replaced.

Leaf and Yard Waste Collection

Leaf and yard waste collection is collected in the spring and fall each year. **Collection dates in the spring will be weather dependent. Collection dates for fall of 2023 are the week of October 23, November 6 and November 13. A dumpster will be available at the City garage between November 20 and December 1, during normal business hours, for residents who miss the November 17 deadline.** Yard waste must be bagged in clear or transparent bags only. The City offers Bio-Bags in the fall only and are available in the Finance Department free of charge while supplies last. Yard waste will not be collected if not properly bagged or placed in non-transparent or black bags. Please place your bagged yard waste by the curb on the first Monday of collection. Brush will not be collected as part of the yard waste collection. For more information, visit the City's website at www.whitewater-wi.gov. Bio-Bags fill in the fall and have been left in the elements during the winter months will NOT be collected during the spring collection.

Compost Site

The compost site is available to City of Whitewater residents only. It is located at 599 N. Jefferson Street. Residents may bring yard waste to the site for disposal. The compost site will open Saturday, April 6, 2024 (weather permitting). The compost site is open on Wednesdays from 3 pm to 7 pm and Saturdays from 8 am to 2 pm. In the fall, the hours change to 2 pm to 6 pm on Wednesdays due to the shortened daylight hours. The compost site will close for the season on Wednesday, November 20, 2024. Residents are required to empty the yard waste from any container used in the transportation of the yard waste and take the container(s) home. Residents can also help themselves to composted material or wood chips at the site. Residents must load their own compost or wood chips. The City will provide a loader for loading chips and compost into resident's trailers and trucks on the first Saturday of every month until the site closes for the season. Please allow enough time to unload and exit the gate before the posted closing time.

Potholes

The City anticipates pothole issues on streets when the weather warms. These potholes will reveal themselves primarily in late March or April when the ground thaws. To report a pothole, residents should contact the Public Works Department at 262-473-0560 or submit a web site request at <https://www.whitewater-wi.gov/RequestTracker.aspx>. Thank you for your patience and drive safely!

Winter Parking Hours

On-street parking is prohibited when snowplowing or snow removal operations are in progress. 11.16.020

- (a) It is unlawful for the operator or owner of any vehicle to park the vehicle on any street in the city between the hours of 2 a.m. and 6 a.m. on any day from November 1st of each year to March 31st of each year, except as hereinafter provided:
- (1) Physicians and surgeons shall be permitted to park vehicles at any time when the physician is on an emergency call.
 - (2) Parking shall be permitted in the downtown parking area after 5 a.m. of such period; and
 - (3) By special advance arrangement with the Streets Superintendent, Kelly Freeman, 262-473-0560.
- (b) Any person who violates the provisions of this section shall be subject to the penalties and provisions set forth at Sections 11.56.010(4) and 11.56.010(5) of this title.

Removal of Snow and Ice from Sidewalks

The owner, occupant, and person in charge of any building or lot fronting upon or adjoining any sidewalk shall remove all snow and ice from the sidewalk no later than twenty-four hours after a snow or ice event. The fee for our City crew to remove snow/ice is a minimum of \$100. For more information, visit the City's website - Code of Ordinance 12.20.020 - Snow and ice removal required.

Storm Water Catch Basins

Fines and/or penalties will be imposed on those who are caught unlawfully dumping any substance into storm water catch basins. Substances like household chemicals, grass clippings, leaves, fertilizers, insecticides, automotive fluids, oils, paints, pet waste and commercial waste are prohibited. Anything dumped into the storm water catch basins travels through storm drains to local streams and rivers. These pollutants harm water quality and can kill aquatic life. Residents are encouraged to report illegal dumping by calling the Public Works Department at 262-473-0560.

Become a Storm Water Drain Protector

The City of Whitewater is part of the Rock River Storm Group (RRSG), a group of surrounding communities committed to improving the health of the Rock River and other local waterways. As part of this effort, we have teamed with a marketing group from UW Whitewater who helps the RRSG get the word out on activities to protect Wisconsin Waterways. One such activity is to become a Storm Drain Protector. By becoming a Storm Drain Protector you agree to help prevent pollution from reaching storm drains by keeping the area around the storm drains free of debris and pollutants. To sign up to be a Storm Drain Protector, or to find out about other activities and chances to win prizes go to www.protectwiwaterways.org.

Wastewater Department

The Wastewater Utility returns all consumed water within the City of Whitewater back into the environment in a responsible fashion that meets or exceeds State and Federal regulations. In order to do so, utility staff is tasked with maintaining and operating the public conveyance system or the "collection system" along with the treatment facility and its associated programs.

Coping with a Sewer Backup

If you experience a sewer backup between the hours of 6:00 a.m.-3:30 p.m. Monday-Thursday, or 6:00-10:00 a.m., call the Wastewater Utility at 262-473-0560. If outside of these hours, please call Police Dispatch at 262-473-0555, option 4. We will dispatch a maintenance crew to your address and determine if the blockage is in the public system or your private line (sewer lateral). If the sewer main is found to be clear, it is the

responsibility of the property owner to correct the problem. The City cannot recommend a plumber; however, a list of area businesses that provide this service is available. We do recommend residents obtain multiple quotations and check references prior to having the work done. If the blockage is in the City system, we will fix it as quickly as possible and keep you informed about what is being done.

Sanitary Sewer and Water Lateral

If a failure occurs in the sanitary sewer or water lateral, between your home and the public utility connection, it would be your responsibility, as the homeowner, to pay for any repairs. The public connection for sanitary sewer laterals is at the sanitary sewer main, typically in the middle of the street. The public connection for water laterals is at the water shut off valve, typically near the sidewalk area. We recommend residents communicate with their homeowner insurance carrier to learn more about coverage options.

No Wipes Down the Pipes

Even if a product says it is flushable, do not flush it down the toilet. Only toilet paper should be flushed! The following items should be placed in a trashcan: flushable/disposable cleaning or baby wipes, paper or cloth towels, any type of rags, feminine hygiene products and facial tissues. Putting these items down toilets may plug sewers and cause raw sewage to back up into your and your neighbors' homes.

Help Us Maintain Healthy Pipes

Grease Concerns - In order to maintain reliable sanitary sewer services for public health and safety, grease should never be put down pipes. Grease and sand can settle out and possibly solidify as it would in a pot or pan in your household. Over time this causes the sanitary line (your private line or the public mainline) to become smaller and smaller. The result is a blockage in the line, which will result in sewage in your home, business, your neighbors' home or overflowing the system into the environment.

Clean Water Concerns

Roof drains, sump pumps, and/or foundation drains connected to the City's sanitary sewer system is illegal. These cross connections send groundwater or rainfall to the Wastewater Treatment Plant, consuming valuable treatment capacity. Please familiarize yourself with your house plumbing system. You may be contributing to the problem if you have roof downspouts that are piped underground, a sump pump that has no identifiable discharge point, or foundation drains that do not discharge to a low point on your property. Residents must disconnect unlawful connections to the sewer system. You may contact the Public Works Department at 262-473-0560 to find reasonable alternatives.

NEIGHBORHOOD SERVICES

(262) 473-0540
[www.whitewater-wi.gov/236/
Neighborhood-Services](http://www.whitewater-wi.gov/236/Neighborhood-Services)**

The City of Whitewater Neighborhood Services Department handles construction and building permits, planning for the city, and neighborhood code enforcement. In an effort to keep Whitewater beautiful, Neighborhood Services would like to remind residents of certain rules, guidelines and services.

Make sure you are living legally

How many non-family household members can I have in a single-family house? If you are in an R-1 or R-2 Zoning districts anywhere in the city you can only have 3 unrelated non-family household members. If you are in the R-3 Zoning anywhere in the city you cannot have more than 5 unrelated non-family household members. For more information, please contact the Neighborhood Services Department at 262-473-0540. www.whitewater-wi.gov/DocumentCenter/View/1202/Occupancy-Ordinances-2019?bidId

Don't skip the permit

Make sure your project is in full compliance with codes. For more information call the Neighborhood Services Department at (262) 473-0540 or visit the City of Whitewater's website at <http://www.whitewater-wi.gov/departments/neighborhood-services>

Grass Length

Grass length should not exceed seven (7) inches in height Sections 11.56.010(4) and 11.56.010(5) of this title.

Sidewalks

Sidewalks must be cleared of snow and ice within 24 hours of a snow storm ending.

Litter and Other Debris

homeowners and tenants in residential neighborhoods are responsible for keeping the property free of all litter, junk and other unsightly debris.

Outdoor Furnishings

Only furniture designed for outdoor use may be placed outside a residence. Furniture designed for indoor use may not be placed or kept on lawns or porches that are not entirely enclosed.

Recreational Fires

No permit is required however, there are regulations. Recreational fires must be attended at all times. They shall be no closer than 15 feet from any structure or side lot line and 10 feet from any rear lot line. Recreational fires are allowed only during the following schedule:

- Sunday - Thursday from 4PM to 10 PM
- Friday & Saturday from 4 PM to 1 AM the following day

Recreational fires shall only burn dry wood. All recreational fires must also be completely extinguished when unattended. Recreational fires with a base greater than 5 feet in diameter shall require a permit issued by the city manager or their designee. Contact Neighborhood Services for permit information.

Vehicles

Storage of junk vehicles is prohibited without a junk vehicle permit. All vehicles must be licensed and operable or covered with an approved car cover and on a hard surface. Visit the City of Whitewater's website at <http://www.whitewater-wi.gov/departments/neighborhood-services>

Parking

Parking is prohibited on most city streets between the hours of 2 AM and 5 AM. Winter parking restrictions begin on November 1st and end on March 31st (parking prohibited on all city streets from 2 AM to 6 AM). On-street parking is prohibited during snow emergencies. Other than in a paved parking lot, parking is prohibited on front and side lawn areas, and other areas of the property not designed for parking.

2024 marked the debut of Christmas at Cravath, an enchanting holiday event held at Cravath Lakefront Park. Thanks to the hard work of the Parks and Recreation Department, support from other city departments, countless volunteers, and the generosity of many sponsors, the park was transformed into a dazzling winter wonderland.

Starting in June, we poured our hearts into creating a stunning walk-through light display, bringing joy and magic to the entire community. It was truly a labor of love, and seeing families and friends delight in the festive atmosphere made it all worthwhile.

We're already counting down to Christmas at Cravath 2025, with exciting improvements and new additions on the horizon!

If you'd like to join the magic by becoming a sponsor, we'd love to hear from you. Contact the Parks and Recreation Department at **262-473-0122** for more information.

A heartfelt thank you to all our incredible 2024 sponsors for making this dream a reality. Your support brought light to our community and we cannot thank you enough.

Let's make the next holiday season even more spectacular—together!
